

2026 BRANDED POSTER

Building for the Future

Little Hands Big Hearts Learning Center

Participating in the Child and Adult Care Food Program

Print-Friendly HTML CACFP Participation Poster 2026 Edition

Little Hands Big Hearts Learning Center helps build strong foundations for children by participating in the **Child and Adult Care Food Program (CACFP)**, which supports nutritious meals and snacks for children in care.

What This Means for Families

The center's participation in CACFP helps support meal service that encourages healthy growth, learning readiness, and consistent nutrition practices within the child care day.

1

Nutritious Meals and Snacks

Children receive meal and snack support through a structured nutrition program intended to promote healthy eating habits from an early age.

2

Healthy Growth and Development

Consistent access to balanced food service helps children stay ready to learn, play, and participate fully in daily classroom routines.

3

Support for Quality Care

CACFP participation strengthens the center's ability to provide child-focused care that supports wellness, routine, and family confidence.

Equal Opportunity Statement

This institution is an equal opportunity provider.

Questions about meal service records, participation, or center nutrition procedures can be directed to the front office.
